

UPCOMING EVENTS: Networking Meetings

Networking meetings are designed to provide ongoing professional development and an opportunity to network with other districts regarding implementing Rtl. Meetings are appropriate for school staff and administrators who are supporting implementation of Rtl at the building and district levels. Please contact the I-Rtl Network Area Wide Instructional Leader (AWIL) for your area for more information. The main topic for the meetings listed below is "**Professional Practices in Rtl Implementation**," with different practices covered in each of the months. Unless otherwise specified, meeting times are the same for all dates at a particular location.
